PROFESSIONAL SUMMARY:

Data Analyst with 3.5+ years of experience in data analysis, business reporting, operational analytics, and dashboard development within enterprise IT environments. Skilled in SQL, Power BI, Python, and Excel for building KPI dashboards, automating reporting workflows, performing workforce and operational analytics, and delivering data-driven insights that improve business performance and decision-making.

SKILLS:

- **Data Analytics:** SQL, Power BI, Excel, Python (Pandas, NumPy, Matplotlib), Data Analysis, Data Visualization
- **Techniques:** Data Cleaning, Data Transformation, ETL, KPI Dashboards, RCA, Data Modelling, DAX, Power Query
- **Analytics Domains:** Workforce Analytics, HR Analytics, Operational Analytics, Trend Analysis, Reporting Automation
- **Tools & Platforms:** ServiceNow, Microsoft Intune, SCCM, Azure AVD, Active Directory
- **Core Skills:** Problem Solving, Business Analysis, Statistical Analysis, Stakeholder Reporting

WORK EXPERIENCE:

Infosys (Apr 2026 – Present): Technology Analyst

- Developed Power BI dashboards and SQL-based reports for KPI tracking, operational analytics, trend analysis, and executive reporting.
- Performed workforce and operational data analysis using SQL and Python (Pandas, NumPy) on employee productivity, shift utilization, asset management, and service delivery datasets.
- Supported UCAS Results Day operations by analyzing high-volume service data, SLA adherence, escalation trends, and operational performance metrics.
- Automated recurring reporting and data validation workflows, improving reporting accuracy and reducing manual effort across CIS-EUC environments.

Infosys (Apr 2025 – Mar 2026): Senior System Engineer (EUC Analyst & KM SPOC)

- Built automated dashboards and reporting solutions using Power BI, SQL, Excel, Python, and PowerShell for SLA/KPI monitoring and operational reporting.
- Conducted trend analysis on ticket volumes, workforce utilization, and service performance data to improve resource planning and operational efficiency.
- Scaled Knowledge Management practices across multiple accounts, improving process standardization and KB adoption.
- Worked with ServiceNow, SCCM, Intune, and Active Directory to support reporting automation and operational governance.

Infosys (Nov 2022 – Mar 2025): System Engineer (EUC Analyst & KM SPOC)

- Delivered L2 support for endpoint and VDI environments while managing incidents, service requests, and patching activities.
- Utilized SQL and Excel for operational reporting, ticket trend analysis, and SLA tracking.
- Led Knowledge Management initiatives that improved KB utilization by 30% and reduced repeat ticket volumes by ~20%.
- Supported workforce and operational reporting involving employee activities, asset allocation, and service performance metrics.

PROJECTS:

Shop Nest Sales Analysis Dashboard (Power BI, DAX, Power Query)

- Designed an interactive dashboard to analyze store-level sales performance across regions.
- Built DAX measures for KPIs like revenue growth and profit margins.
- Improved decision-making speed by 20% through actionable insights.

Freshco Hypermarket Retail Sales Analysis Dashboard (Advanced Excel)

- Analyzed sales data to identify trends and seasonal patterns.
- Built dashboards using PivotTables, charts, and advanced formulas.
- Improved promotional ROI by 18% through data-driven insights.

Airline Database Analysis (SQL)

- Analyzed relational database for business scenarios in airline operations.
- Wrote SQL queries using joins, aggregations, and filters for insights.
- Solved case-based problems like passenger trends and revenue tracking.

EDUCATION:

B. Tech in Mechanical Engineering (Malla Reddy Engineering College)

2018-22

ACHIEVEMENTS:

- Microsoft Certified: Power BI Data Analyst Associate (PL-300) | Azure Fundamentals (AZ-900)
- Infosys Certified: Business Intelligence Associate | Applied Generative AI Professional | Data Privacy Consultant (2026)
- Data Analytics Certification – Skillovilla | Accredited by Wipro & FutureSkills Prime (NASSCOM) | 2025
- Rookie of the Quarter – Q4 2024, Infosys CIS RISE Awards
